WSU INTRAMURAL SPECIFIC RULES
1. Any foul ball after strike two will be considered an out.
2. The pitch count will start at NO balls and ONE strike. The batter will walk on four balls or strike out after three strikes.

PLAYERS
1. Teams are comprised of ten players on the field at one time. In Coed Play, teams are comprised of 5 men and 5 women.
2. There is no limit on the amount of players a team may have in their batting order. If a team has more than 10 players they may:

This is an automatic out due to the fact that they cannot alternate without batting out of order.

2. The home team shall be determined by a pre-game coin flip.
3. Game time is forfeit time. If a team is late the other team may grant a 10-minute grace period. If the team is not there at that time the game will be forfeited. If, during the course of play a team falls below the minimum amount of players (or minimum of a gender in coed) the game shall be forfeited regardless of score. The team that is there can decide whether to be home or away.

B. Pitching
1. The pitcher must begin the pitching motion with one foot on the pitching plate, and facing the batter.
2. The pitch must be made in a smooth motion with no stops or hesitations.
3. The pitch must be delivered at a slow speed and with an arc of 6’ to 12’.
4. Failure to conform to any other above, results in an illegal pitch.

   b. If the batter does not swing at the pitch, the pitch shall be ruled a ball.
5. The pitcher must give the batter adequate time to ready him/herself before pitching the ball.
6. If the pitcher accidentally drops the ball during her delivery the ball is dead and a ‘no-pitch’ is declared.
7. The pitcher may ‘declare’ an intentional walk at any time. This declaration is irrevocable.

C. Batting
1. Each batter shall start with a 0 balls and 1 strike count.
2. Any foul ball after strike two will be considered an out.

      i. Returning to the base after overrunning the base;
      ii. Running on a base hit to the outfield;
      iii. Re-touching first base after having already gained first.
2. During a play, that in the judgment of the Umpire is an obvious double play, the runner must slide, or get out of the way of the throw. If the Umpire determines that failure to move on the part of the runner took away a double play the runner going to first may be declared out.
3. Runners may not leave their base until the ball has been hit or crossed the plate. Base stealing is not permitted.
4. If a ball is overthrown, out of play, the runner is awarded the two bases from the last base touched. If the ball is carried out of play the runner is awarded one base.
5. If a player intentionally or carelessly crashes into another player to jar a ball loose, they will be assessed a red card.
6. A runner is out if a fair, batted ball strikes them, when they are not on a base and the ball has not yet passed an infielder other than the pitcher.
7. In the spirit of sportsmanship, Courtesy runners are allowed. Courtesy runners may only be granted if the batter-runner is on base. The last out (of the same gender in coed) of the batting team shall be the courtesy runner.
8. A runner may not deliberately run into a fielder. Any flagrant act will result in a red card.
9. A defensive player cannot stand in the base path or obstruct the path of a base runner unless he/she is making a play on the ball. In the event of an obstruction, the umpire shall award the obstructed runner affected by the obstruction the bases they would have reached had there been no obstruction.
10. Fake tags by any fielder are illegal. Penalty will result in obstruction. The second offense by any member on the team will result in a yellow card and the third offense will be a red card.

11. A line perpendicular to the third base line, 45' from third base and 20' from home plate is the ‘commitment line’.
   a. If a runners’ foot completely crosses this line the runner MUST proceed home;
      i. If a runner takes a step towards third base after crossing the commitment line, the ball is immediately
dead and the runner is out.
   b. If the runner does cross the commitment line, the play at the plate is a force play and the defensive team must
      only possess the ball on the plate;
   c. The runner going home must not touch home plate. The runner simply runs past home plate and the Umpire
      will determine if the runner has crossed the home ‘line’ before the defense tags home plate.
      i. If a runner touches home, the ball is dead and the runner is out.
   d. The defensive team may not tag a runner that has crossed the commitment line.

E. IM Field Rules
1. If a player from another game interferes with a live ball the runners shall be awarded the base they were attempting to gain.
2. Lines will be used to determine out of play areas.
3. Teams are limited to five over-the-fence home runs per game in competitive play and two over-the-fence home runs in

   minimum number necessary to play the following will apply: The game will stop and a maximum of five minutes will be
   allowed for the player to stop the bleeding. Either an intramural staff member or game official must approve the player to re-
   enter. If the bleeding is not stopped within the allotted five minutes, the team will forfeit the game. THE TIME ALLOWANCE
   IS ONLY FOR PLAYERS WHO ARE BLEEDING, AND THE TEAM CANNOT CONTINUE WITHOUT THEM.
