BASKETBALL Rules

Current High School Federation Rules will govern play. Intramural policies, procedures, eligibility requirements, etc., and specific rule modifications will take precedent. Captains are encouraged to share these rules as well as program policies and procedures with teammates and spectators. Captains are encouraged to read complete rulebooks, available for sign out at SRC 250.

GENERAL – THE GAME
1. The game shall consist of two (2), eighteen (18) minute halves. The clock will run continuously for eighteen (18) minutes in the first half. The second half will consist of a seventeen (17) minute running clock followed by one (1) minute of play in which the clock shall stop for all fouls, held balls, and violations.
2. Half-time will be two (2) minutes.
3. Two (2) 30 second time-outs per game are allowed. Time-outs can be called at any time during the game as long as your team has possession of the ball or it is during a dead ball. The game clock will stop for all time-outs.
4. Regular season – If the game is tied, no overtime will be played. The game will be recorded as a tie.
5. Tournament – The first overtime period will be two (2) minutes with the clock running continuously, except for the last 30 seconds, which will be stopped clock. If the score is tied after this period, a sudden victory period will begin immediately with the first team to score declared the winner. In final and semi-final games, the sudden victory rule will not be enforced and 2-minute overtimes will continue to be played until a winner is declared. A jump ball will determine first possession of each overtime period. Personal, team, and technical fouls accumulated in the second half and/or overtime periods, as well as any leftover time-outs, will carry over into each succeeding extra period. Each team will be awarded one additional time-out for all overtime periods. A one-minute rest period will proceed each extra period.
6. Each team must furnish one scorekeeper. If no scorekeeper is provided at game time the clock will start. Teams have ten (10) minutes to provide a scorekeeper or the game will be a forfeit. Play will begin immediately if the scorekeeper is secured within the ten (10) minute time limit. If there is any discrepancy in the score, the running score on the score sheet will be considered official. The score on the flip scoreboard will not be considered official in the event of a score discrepancy. Extra team members are allowed to be the scorekeeper.
7. When one team is 25 or more points ahead at the end of the first half or if that team secures a 25-point lead during the second half, the game is ended immediately.
8. The alternating possession rule will be in effect. Jump balls will be tossed at the beginning of the game and extra period(s).
9. Free Throw Rule. All players inside the key (except the shooter) can enter the free throw lane when the shooter releases the ball.
10. Any player who is bleeding must be substituted for until the bleeding stops. An intramural staff member or game official has the authority to remove the player. If by removing the player who is bleeding, the team falls below the minimum number necessary to play (Men's, Women's, and Coed 3 players), the following will apply: The game clock will stop and a maximum of five (5) minutes will be allowed for the player to stop the bleeding. Either an intramural staff member or game official must approve the player to re-enter. If the bleeding is not stopped within the allotted five (5) minutes the team will forfeit the game. THE TIME ALLOWANCE IS ONLY FOR PLAYERS WHO ARE BLEEDING, AND THE TEAM CANNOT CONTINUE TO PLAY WITHOUT THEM.
