NOTE: It is strongly recommended that as parents/legal guardians you consult a physician prior to allowing your child to participate in physical activity to determine any potential conditions that may adversely affect the child’s participation. We encourage parents/legal guardians to ensure that those with pre-existing conditions wear a medical alert bracelet or neck tag indicating the appropriate medical information. We strongly recommend that all parents/legal guardians have a medical insurance policy, either through university offered programs or through an outside agency that will cover injuries or illness that may occur due to your child’s participation in or use of University Recreation programs, services, facilities and equipment. If you have any questions regarding the language or details of this document prior to signing, please contact Jeff Elbracht or Joanne Greene at 509-335-8732.
