Small Group Training – Fitness with Friends!

Class	Days	Time	Location
Intro to Olympic Weightlifting	Mon, Wed	3:00-4:00 p.m.	Chinook B40
Intro to Weight Training	Mon, Wed	6:30-7:30 p.m.	SRC Weight Room
Intro to Power Lifting	Mon, Wed	6:45-7:45 p.m.	Chinook B40
Athletic Skills	Tues, Thurs	3:00-4:00 p.m.	Chinook 30
Women on Weights	Tues, Thurs	5:00-6:00 p.m.	SRC Weight Room
Warrior Fitness Training	Tues, Thurs	6:45-7:45 p.m.	Chinook B40

Intro to Olympic Weightlifting: This course teaches the fundamentals of the Clean, the Jerk, and the Snatch and auxiliary lifts to complement the three Olympic lifts. A foundation of squatting, pressing, and lifting is also included in this Strength and Conditioning program.

Intro to Weight Training: Designed for those who are new to the Weight Room, this class teaches how to lift weights properly and provides an understanding as to why adding strength training to fitness routines benefits all. Utilizing workouts designed for a small group, we cover weight training movements and use of equipment and machines in the Weight Room.

Intro to Power Lifting: Develop a strong foundation with this course that develops full body strength through weight training and teaches the bench press, back squat, and deadlift. Participants learn proper form as they enter the powerlifting world, whether competitive or recreational.

Athletic Skills: Speed, Power, Agility, Reaction, and Quickness (SPARQ) are the skills one needs when playing competitive field and court sports that involve multi-directional speed. This training course focuses on the development and optimization of each of these factors in order to increase your athletic potential – focusing on body weight movements and using household items.

Women on Weights: Experience the Weight Room and navigate our facilities in a non-intimidating atmosphere. Designed just for women who may be new to using our Weight Room, participants will learn the basics of weight training, fitness programming, and healthy benefits of adding muscle.

Warrior Fitness Training: Warrior Fitness Training is a Strength and Conditioning program designed to teach fitness fundamentals used by military, law enforcement, firefighters, and first responders! Designed to develop teamwork and camaraderie within the group, this class will focus on high intensity calisthenics, endurance training, and body weight conditioning with kettlebells, climbing and battle ropes, gymnastics, mobility drills, stair runs, buddy carries, speed drills, and sled pushes.
